

COVID 19 Announcement:

DO THE FIVE

Help stop coronavirus

- 1 **HANDS** Wash them often
- 2 **ELBOW** Cough into it
- 3 **FACE** Don't touch it
- 4 **SPACE** Keep safe distance
- 5 **HOME** Stay if you can

In an effort to take preventive/responsible efforts during this time, our church will be using the following guide lines at services.

We will adopt a “hands free” approach for the time being. Feel free to elbow bump, wave, and still speak and be kind to each other, but no handshaking and hugging for a while. We still love everybody!

We will have teams at church early to sanitize the building. We want to continue to promote a safe, distraction free environment conducive to a free worship and blessed spirit. Please text Sis Hanney if you would help us with that by being on a team.

Our Sunday school teachers will also be implementing hand washing before classes, and our class rooms will be cleaned before and after classes.

We also encourage you and your loved ones to visit the [Kansas Department of Health and Environment](#) , [World Health Organization](#) and [CDC](#) for latest updates about the Corona virus.

We don't believe in the spirit of fear. We don't feel panic or uncertainty in this time. God is for us. We also want to remain as always, good stewards.

Now is our time to BE the church! Let's depend on each other in new ways. If you have a need or are willing to help others, let us know [Here](#). Let's not miss an opportunity to minister to our community. People need real hope, and we know Who offers it. Let's let them see Christ in us!

Many blessings to our wonderful First Faith Family!
